THE COMPANY

LYLMA Innovation Limited is a technology-driven IT company committed to creating innovative, secure, and scalable digital solutions for businesses of all sizes. We focus on designing and developing technology that solves real problems, streamlines operations, and drives sustainable growth.

OUR MISSION

To empower businesses with innovative technology solutions that drive growth, efficiency, and digital transformation.

OUR VISION

To be a globally recognized technology partner, setting benchmarks in software development and telecom services.

OUR VALUES

Integrity, innovation, customer-centricity, and excellence are at the core of everything we do.

WHY CHOOSE US

Built Different. Built Better.

We don't just deliver projects - we build lasting partnerships through quality, transparency, and innovation.

▶ Deep Industry Expertise

Years of hands-on experience across telecom, software, web, and digital services - we understand the challenges and deliver what works.

▶ Client-Centric Approach

Your goals become our roadmap. We listen, strategize, and build solutions aligned with your vision and business objectives.

▶ Quality Without Compromise

Every line of code, every design, every deployment goes through rigorous quality checks to ensure reliability and performance.

▶ End-to-End Delivery

From concept to launch and beyond, we handle everything so you can focus on what matters most your business.

▶ Transparent Collaboration

Regular updates at every stage. Clear communication keeps your vision on track. Full visibility so you are always in the loop.

▶ Dedicated After-Sales Support

Our commitment doesn't end at delivery. We provide ongoing maintenance, updates, and technical support to ensure your solutions continue to perform at their

OUR APPROACH

► Design & Development

Our team builds scalable, high-performance solutions using modern technologies and industry best practices.

► Delivery & Support

We ensure smooth delivery and provide continuous support to keep your product running at its best

OUR SERVICES

SOFTWARE DEVELOPMENT

We deliver end-to-end custom software development services tailored to your unique business requirements. From concept to deployment, our expert team leverages modern technologies to build scalable, secure, and high-performance software solutions that drive business growth.

Why Choose This Service

Key Benefits

What makes our Software Development service the right choice for your business

- ▶ Tailored solutions matching your exact business needs
- ▶ Robust security and data protection
- ▶ Cost-effective development process
- ▶ Scalable architecture that grows with your business
- ▶ Ongoing support and maintenance

WEBSITE & E-COMMERCE

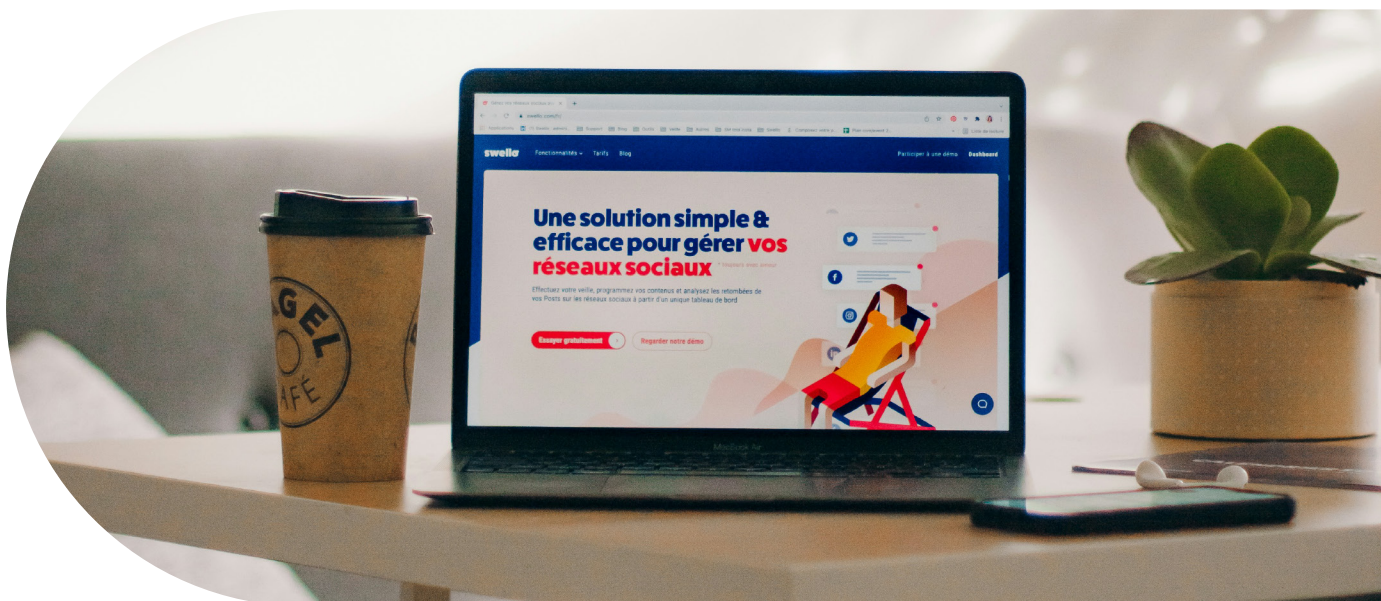

We create visually stunning, fast, and responsive websites and e-commerce platforms that captivate your audience and drive conversions. Our solutions are built with modern frameworks and optimized for search engines and mobile devices.

Why Choose This Service

Key Benefits

What makes our Website & Ecommerce service the right choice for your business

- ▶ Responsive design for all devices
- ▶ User-friendly CMS
- ▶ SEO-optimized structure
- ▶ Secure payment integration
- ▶ Fast loading speed
- ▶ Scalable platform ready for growth

MOBILE APP DEVELOPMENT

We build native and cross-platform mobile applications that deliver exceptional user experiences. From concept to app store deployment, our mobile development team creates feature-rich apps that engage users and achieve your business objectives.

Why Choose This Service

Key Benefits

What makes our Mobile App Development service the right choice for your business

- ▶ Native and cross-platform solutions
- ▶ App store optimization
- ▶ Intuitive user interfaces
- ▶ Ongoing updates and support
- ▶ High performance and reliability
- ▶ Secure and compliant data handling

IT & AI TRAINING

We offer comprehensive IT and AI training programs designed to equip individuals and teams with cutting-edge skills in technology and artificial intelligence.

Why Choose This Service

Key Benefits

What makes our IT & AI Training service the right choice for your business

- ▶ Hands-on practical training
- ▶ Flexible learning schedules
- ▶ Industry-recognized curriculum
- ▶ Career mentorship and guidance
- ▶ Expert instructors with real-world experience
- ▶ Lifetime access to learning materials

IT CONSULTING

We provide expert IT consulting services to help businesses align technology with their strategic goals. Our consultants bring deep industry knowledge and technical expertise to solve complex challenges, optimize operations, and drive digital transformation.

Why Choose This Service

Key Benefits

What makes our IT Consulting service the right choice for your business

- ▶ Strategic technology roadmap aligned with business objectives
- ▶ Accelerated digital transformation
- ▶ Cost optimization through efficient technology adoption
- ▶ Vendor-neutral recommendations
- ▶ Risk mitigation and compliance guidance
- ▶ Scalable architecture planning

RESOURCE AUGMENTATION

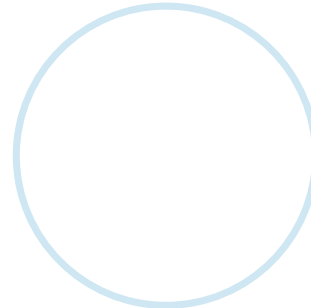

Our resources augmentation service provides skilled, vetted professionals who integrate seamlessly into your team and projects. Scale your workforce up or down with ease and access specialised expertise exactly when you need it – without the overhead and long-term commitment of permanent hiring.

Why Choose This Service

Key Benefits

What makes our Resource Augmentation service the right choice for your business

- ▶ Access to vetted, senior-level resources
- ▶ Flexible scaling of your team
- ▶ Faster time-to-market
- ▶ Cost-effective engagement model
- ▶ No long-term hiring commitment
- ▶ Dedicated, project-focused professionals

TELECOM VALUE ADDED SERVICE

We offer comprehensive Telecom Value Added Services (VAS) that enhance the core telecom experience. Our solutions include content services, ringback tones, IVR systems, and messaging platforms that generate additional revenue streams for operators.

Why Choose This Service

Key Benefits

What makes our Telecom Value Added Service service the right choice for your business

- ▶ Revenue generation for operators
- ▶ Regulatory compliance
- ▶ Enhanced subscriber engagement
- ▶ Multi-operator support
- ▶ Scalable infrastructure
- ▶ Proven operator-grade reliability

GRAPHICS & DIGITAL MARKETING

Our digital marketing services help businesses build brand awareness, drive traffic, and generate leads online. We use data-driven strategies across SEO, social media, email marketing, and paid advertising to deliver measurable results.

Why Choose This Service

Key Benefits

What makes our Graphics service the right choice for your business

- ▶ Increased online visibility
- ▶ Targeted audience reach
- ▶ Measurable ROI
- ▶ Brand authority building
- ▶ Lead generation
- ▶ Real-time performance tracking

WEB HOSTING

DOMAIN & HOSTING SUPPORT

We provide reliable domain registration and web hosting services with 24/7 technical support. Our hosting solutions are optimized for speed, security, and scalability, ensuring your online presence remains uninterrupted.

Why Choose This Service

Key Benefits

What makes our Domain & Hosting Support service the right choice for your business

- ▶ 99.9% server uptime guarantee
- ▶ 24/7 technical support
- ▶ Free SSL certificates
- ▶ Automated backups
- ▶ Easy domain management
- ▶ Scalable hosting resources on demand

OUR PRODUCTS

Innovative solutions designed to streamline your business operations and drive growth.

▶▶ Voting Software

A secure and transparent electronic voting system for organizations, institutions, and government bodies. Ensure fair elections with tamper-proof technology and real-time result tabulation.

▶▶ OMR Software

Our Optical Mark Recognition (OMR) software automates the evaluation of answer sheets, saving time and eliminating human error. Ideal for educational institutions conducting exams and assessments.

▶▶ School Management System

An all-in-one school management system that simplifies administration, communication, and academic management. From student enrollment to exam results, manage every aspect of your institution.

▶▶ POS & Inventory Software

A powerful point-of-sale and inventory management platform designed for retail stores, restaurants, and wholesale businesses. Streamline billing, track stock in real time, and keep your entire business under control from one dashboard.

▶▶ E-Commerce Platform

A powerful e-commerce platform that enables you to create and manage your online store effortlessly. With built-in marketing tools, secure payments, and mobile optimization, you can start selling in minutes.

▶▶ News Portal Website

A feature-rich news portal solution tailored for media houses, journalists, and content publishers. Manage articles, categories, multimedia, and engage with your audience through a modern platform.
